Tutorials

Here are some tutorials and other introductions to using boo:

Tutorials on this site

- The boo manifesto (pdf) by its creator, Rodrigo B. de Oliveira
- The boo Language Guide - list of pages covering stuff not yet covered in other tutorials
- Boo Primer - a reference/tutorial on programming concepts in boo, by Cameron Kenneth Knight
- Hello Boo - a beginner tutorial - by Arron Washington
- Advanced Tutorial, Learning Boo Kung-Fu - by Arron Washington
- Sample GTK-SHARP application. - by Arron Washington
- Differences with Python
- Differences with C#
- Boo as an embedded scripting language - by Arron Washington
- A basic guide to unit tests in Boo.

External Documentation:

- The Book of Boo - an editable book of docs on boo, started by Steve Donovan
- How to Think Like a Computer Scientist: Learning to Program with Boo - by J. Bryan Kelly

Sample Code

- Cookbook - numerous code samples covering topics like using databases, etc.
- Applications - applications built with boo

See also the boo scripts in the examples folder included with boo. There are also many illustrative samples under tests/testcases, especially in the integration subfolder.

External Reviews & Tutorials

- Dynamic .NET scripting with Boo (including a Flash demonstration) - by Edd Dumbill
- Boo! - nice intro to boo's features by Zef Hemel
- The Boo Programming Language - very in depth examples of things you can do in boo, by Steve Donovan
- Introduction to Boo: The synthesis of static and dynamic? - looks at how you get the best of both worlds by combining static typing and Duck Typing, by Andy Bulka
- Developing & Debugging visually in Boo - using the Microsoft debugger, by Andy Bulka
- A Comparison of Ruby and Boo - by Kartik Vaddadi
- Sample Silverlight Tetris in Boo (and IronPython) - by Vladimir Lazunin

Advanced / Specialized Tutorials

- How to Inject Code from XSLT Transformations
- Use XSLT Transformations to Ease Glade#
- Dependency Injection and Scripted Configuration for Enterprise Development - Part 1
- Dependency Injection and Scripted Configuration for Enterprise Development - Part 2

Tutorials in Other Languages

- Boo Primer in Portuguese, translated by Cássio Rogério Eskelsen
- Boo... el fantasma de Python (Español) - Post going over some examples of using boo.
