TERMS AND CONDITIONS FOR USE,
REPRODUCTION, AND DISTRIBUTION

1. Definitions.

"License" shall mean the terms and conditions for use, reproduction, and distribution as defined by Sections 1 through 9 of this document.

"Licensor" shall mean the copyright owner or entity authorized by the copyright owner that is granting the License.

"Legal Entity" shall mean the union of the acting entity and all other entities that control, are controlled by, or are under common control with that entity. For the purposes of this definition,

"control" means (i) the power, direct or indirect, to cause the

direction or management of such entity, whether by contract or otherwise, or (ii) ownership of fifty percent (50%) or more of the outstanding shares, or (iii) beneficial ownership of such entity.

"You" (or "Your") shall mean an individual or Legal Entity exercising permissions granted by this License.

"Source" form shall mean the preferred form for making modifications, including but not limited to software source code, documentation source, and configuration files.

"Object" form shall mean any form resulting from mechanical transformation or translation of a Source form, including but not limited to compiled object code, generated documentation, and conversions to other media types.

"Work" shall mean the work of authorship, whether in Source or Object form, made available under the License, as indicated by a copyright notice that is included in

or attached to the work

(an example is provided in the Appendix below).

"Derivative Works" shall mean any work, whether in Source or Object form, that is based on (or derived from) the Work and for which the editorial revisions, annotations, elaborations, or other modifications represent, as a whole, an original work of authorship. For the purposes of this License, Derivative Works shall not include works that remain separable from, or merely link (or bind by name) to the interfaces of, the Work and Derivative Works thereof.

"Contribution" shall mean any work of authorship, including the original version of the Work and any modifications or additions to that Work or Derivative Works thereof, that is intentionally submitted to Licensor for inclusion in the Work by the copyright owner or by an individual or Legal Entity authorized to submit on behalf of the copyright owner. For the purposes of this definition, "submitted" means any form of electronic, verbal,

or written communication sent
to the Licensor or its
representatives, including but not limited
to

communication on electronic mailing
lists, source code control systems,
and issue tracking systems that are
managed by, or on behalf of, the

Licensor for the purpose of discussing
and improving the Work, but

excluding communication that is
conspicuously marked or otherwise

designated in writing by the copyright
owner as "Not a Contribution."

"Contributor" shall mean Licensor and
any individual or Legal Entity

on behalf of whom a Contribution has
been received by Licensor and

subsequently incorporated within the
Work.

2. Grant of Copyright License. Subject to
the terms and conditions of

this License, each Contributor hereby
grants to You a perpetual,

worldwide, non-exclusive, no-charge,
royalty-free, irrevocable

copyright license to reproduce,
prepare Derivative Works of,

publicly display, publicly perform,

sublicense, and distribute the
Work and such Derivative Works in
Source or Object form.

3. Grant of Patent License. Subject to
the terms and conditions of
this License, each Contributor hereby
grants to You a perpetual,
worldwide, non-exclusive, no-charge,
royalty-free, irrevocable
(except as stated in this section)
patent license to make, have made,
use, offer to sell, sell, import, and
otherwise transfer the Work,
where such license applies only to
those patent claims licensable
by such Contributor that are
necessarily infringed by their
Contribution(s) alone or by
combination of their Contribution(s)
with the Work to which such
Contribution(s) was submitted. If You
institute patent litigation against
any entity (including a
cross-claim or counterclaim in a
lawsuit) alleging that the Work
or a Contribution incorporated within
the Work constitutes direct
or contributory patent infringement,
then any patent licenses
granted to You under this License for

that Work shall terminate
as of the date such litigation is
filed.

4. Redistribution. You may reproduce and
distribute copies of the
Work or Derivative Works thereof in
any medium, with or without
modifications, and in Source or Object
form, provided that You
meet the following conditions:

(a) You must give any other recipients
of the Work or
Derivative Works a copy of this
License; and

(b) You must cause any modified files
to carry prominent notices
stating that You changed the
files; and

(c) You must retain, in the Source
form of any Derivative Works
that You distribute, all
copyright, patent, trademark, and
attribution notices from the
Source form of the Work,
excluding those notices that do
not pertain to any part of
the Derivative Works; and

(d) If the Work includes a "NOTICE" text file as part of its distribution, then any Derivative Works that You distribute must include a readable copy of the attribution notices contained within such NOTICE file, excluding those notices that do not pertain to any part of the Derivative Works, in at least one of the following places: within a NOTICE text file distributed as part of the Derivative Works; within the Source form or documentation, if provided along with the Derivative Works; or, within a display generated by the Derivative Works, if and wherever such third-party notices normally appear. The contents of the NOTICE file are for informational purposes only and do not modify the License. You may add Your own attribution notices within Derivative Works that You distribute, alongside or as an addendum to the NOTICE text from the Work, provided that such additional attribution notices cannot be construed

as modifying the License.

You may add Your own copyright statement to Your modifications and may provide additional or different license terms and conditions for use, reproduction, or distribution of Your modifications, or for any such Derivative Works as a whole, provided Your use, reproduction, and distribution of the Work otherwise complies with the conditions stated in this License.

5. Submission of Contributions. Unless You explicitly state otherwise, any Contribution intentionally submitted for inclusion in the Work by You to the Licensor shall be under the terms and conditions of this License, without any additional terms or conditions.

Notwithstanding the above, nothing herein shall supersede or modify the terms of any separate license agreement you may have executed with Licensor regarding such Contributions.

6. Trademarks. This License does not grant permission to use the trade

names, trademarks, service marks, or product names of the Licensor, except as required for reasonable and customary use in describing the origin of the Work and reproducing the content of the NOTICE file.

7. Disclaimer of Warranty. Unless required by applicable law or agreed to in writing, Licensor provides the Work (and each Contributor provides its Contributions) on an "AS IS" BASIS, WITHOUT WARRANTIES OR CONDITIONS OF ANY KIND, either express or implied, including, without limitation, any warranties or conditions of TITLE, NON-INFRINGEMENT, MERCHANTABILITY, or FITNESS FOR A PARTICULAR PURPOSE. You are solely responsible for determining the appropriateness of using or redistributing the Work and assume any risks associated with Your exercise of permissions under this License.

8. Limitation of Liability. In no event and under no legal theory, whether in tort (including negligence), contract, or otherwise, unless required by applicable law

(such as deliberate and grossly negligent acts) or agreed to in writing, shall any Contributor be liable to You for damages, including any direct, indirect, special, incidental, or consequential damages of any character arising as a result of this License or out of the use or inability to use the Work (including but not limited to damages for loss of goodwill, work stoppage, computer failure or malfunction, or any and all other commercial damages or losses), even if such Contributor has been advised of the possibility of such damages.

9. Accepting Warranty or Additional Liability. While redistributing the Work or Derivative Works thereof, You may choose to offer, and charge a fee for, acceptance of support, warranty, indemnity, or other liability obligations and/or rights consistent with this License. However, in accepting such obligations, You may act only on Your own behalf and on Your sole responsibility, not on behalf of any other Contributor, and only if

You agree to indemnify,
defend, and hold each Contributor
harmless for any liability
incurred by, or claims asserted
against, such Contributor by reason
of your accepting any such warranty or
additional liability.

END OF TERMS AND CONDITIONS

APPENDIX: How to apply the Apache License
to your work.

To apply the Apache License to your
work, attach the following
boilerplate notice, with the fields
enclosed by brackets "[]"
replaced with your own identifying
information. (Don't include
the brackets!) The text should be
enclosed in the appropriate
comment syntax for the file format. We
also recommend that a
file or class name and description of
purpose be included on the
same "printed page" as the copyright
notice for easier
identification within third-party
archives.
