Jikes RVM accepted for Google Summer of Code 2011

Jikes RVM has been accepted for the 2011 Google Summer of Code. Students will receive a stipend for working on code for 3 months between May and August. The period for students to apply is rapidly approaching so please spread the word.

You can find our project proposals at http://jikesrvm.org/Google+Summer+of+Code+2011

Student deadline: 28 March and 8 April.
