Google Web Toolkit Resource

I need some help in getting some GWT Developers for a large enterprise project in Atlanta, GA.

Current version is GWT 2.3...so need someone with experience in versino 2.1 or higher. Also UI Binder, RPC, DOM and GWT Designer....

I can really reward for references....Have them send email to me - alan@bellsoftinc.com or call me at 770-734-3051
