

# Mailing Lists

## Boo Google Group

We have started a mailing list for boo users at Google groups:

<http://groups-beta.google.com/group/boolang>

See that page for instructions on subscribing and to view the archives.

## Other Mailing Lists

The **subscribe** and **unsubscribe** links for the other mailing lists are currently broken due to a reorganization at codehaus. Please use the **google boo group** for all discussion, but you may still wish to view the boo-dev archives to follow jira issues.

There are also these mailing lists:

Mailing List	Subscribe	Unsubscribe	Archive
Boo Developer List	<a href="#">subscribe</a>	<a href="#">unsubscribe</a>	<a href="#">@codehaus</a> <a href="#">@gmane</a>
Boo Announcements	<a href="#">subscribe</a>	<a href="#">unsubscribe</a>	<a href="#">@codehaus</a>
Boo Source Control	<a href="#">subscribe</a>	<a href="#">unsubscribe</a>	<a href="#">@codehaus</a>
