

# IzPack tutorials in French

Pierre Laporte recently wrote some IzPack tutorials in French:

- <http://www.pingtimeout.fr/2011/04/automatiser-linstallation-dapplications.html>
- [http://www.pingtimeout.fr/2011/04/automatiser-linstallation-dapplications\\_21.html](http://www.pingtimeout.fr/2011/04/automatiser-linstallation-dapplications_21.html)

They cover the creation of an IzPack-based installer and its generation from Maven. If you speak *La Langue de Molières* then this is definitely worth a read!
