

GR8Conf comes to Australia

The now famous [GR8Conf](#) conference dedicated to all things Groovy, is now [coming to Australia](#), as announced on the GR8Conf blog! It will take place in Canberra, side by side with the [Open Source Developers Conference \(OSDC\)](#), on November 15th.

The [GR8Conf Australia website](#) is already up and is running a Call for Papers. So if you have a presentation on Groovy, Grails, Griffon, Gradle, Spock, CodeNarc, Gaelyk, etc, with introductions, deep dives, case studies, and so on, feel free to submit a talk!
