

Improve support of RGB coverages

Motivation:	Need better cohabitation between geophysics and photographic views
Contact:	Martin Desruisseaux
Tracker:	TBD

Description

Status

This proposal is currently under construction (it was listed against 2.5.x but has no history).

Tasks

API Change

BEFORE

```
class GridCoverage2D {
    GridCoverage2D geophysics(boolean);
}
```

AFTER

```
enum ViewType {
    NATIVE, PACKED, RENDERED, GEOPHYSICS, PHOTOGRAPHIC, SAME
}

class GridCoverage2D {
    GridCoverage2D view(ViewType);
}
```
